LETTER FROM THE BOARD

LETTER FROM THE BOARD

An explanatory statement containing the particulars required by the Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the proposed Buy-back Resolution is set out in Appendix II to this circular.

(C) EXPIRATION OF THE EXISTING SHARE OPTION SCHEME AND PROPOSED ADOPTION OF THE NEW SHARE OPTION SCHEME

Introduction

The Existing Scheme is due to expire in August 2023. As at the Latest Practicable Date, there was no outstanding share option granted under the Existing Scheme. The Board has no plan to grant any share options under the Existing Scheme prior to the AGM.

In view of the impending expiry of the Existing Scheme, the Company proposes to adopt the New Share Option Scheme which will take effect upon the passing of relevant ordinary resolution(s) by the Shareholders at the AGM. After adoption of the New Share Option Scheme and prior to grant of any Share Options to the Eligible Participants, the Company will apply to the Listing Committee of the Stock Exchange for the listing of and permission to deal in the new Shares to be issued upon exercise of the Share Options to be granted.

The Company has sought legal advice from its legal advisers in respect of the New Share Option Scheme and understands that whilst the New Share Option Scheme is not restricted to executives and employees of the Group, the adoption of the New Share Option Scheme would not constitute an offer to the public and the prospectus requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong) is not applicable.

A summary of the principal terms of the New Share Option Scheme is set out in Appendix III to this circular. Unless otherwise stated, the defined terms in Appendix III shall apply to the disclosure herein. The full terms of the New Share Option Scheme will be published on the websites of the Stock Exchange and the Company for a period of 14 days before the date of the AGM and will be made available for inspection at the AGM.

Purpose

The purpose of the New Share Option Scheme is for the Group to attract, retain and motivate talented Eligible Participants to strive for future developments and expansion of the Group. The New Share Option Scheme shall be an incentive to encourage the Eligible Participants to perform their best in achieving the goals of the Group and the Related Entities, and allow the Eligible Participants to enjoy the results of the Company attained through their efforts and contributions.

Eligible Participants

Eligible Participants include the Employee Participants, Related Entity Participants and Service Providers.

LETTER FROM THE BOARD

In determining the basis of eligibility of each Eligible Participant, the Board would, on a case by case basis, take into account the experience of the Eligible Participant on the Group's business, the length of relationship of the Eligible Participant with the Group, the amount of support, assistance, guidance, advice, efforts and contribution the Eligible Participant has made or is likely to make towards the success of the Group and such other factors as the Board may at its discretion consider appropriate.

Furthermore, the Board will consider the following in determining the eligibility of each category of the Service Providers:

- (i) suppliers of service, including but not limited to, advisor, consultant, business or joint venture partner and contractor. The Group has been cooperating with SJM Resorts, S.A. ("SJM"), one of the concessionaires for the operation of games of fortune or chance in casino in Macau, as a business and joint venture partner of the Company for the operation of entertainment business in Grand Emperor Hotel. The Group has also collaborated with advisors or consultants who provide services to (a) introduce, source, explore prospective business partners or projects or business opportunities to the Group such as collaborating with online and offline travel agencies for potential joint promotions program and other cross-selling opportunities for the hospitality business of the Group or provision of event sponsorship and hosting service for both governmental or commercial events; (b) formulate marketing and promotion plan in relation to the Group's entertainment and hospitality business for the purpose to attract tourists to stay and consume in the Group's hotels; (c) provide advisory services as required by the Group from time to time; and (d) provide other consultancy services as may be required by the Group on a regular or recurring basis. The Group has also engaged managers and operators as service providers who are responsible for (a) running the day-to-day operation of the Group covering all aspect of the operation; (b) setting and periodically review of the procedures and policies applicable to various operation departments; (c) through its knowledge and expertise in the field, determining the best and optimal business model for the operation from time to time; (d) planning and preparing the business to adapt to market fluctuation; (e) providing manpower to fulfill the task of general management of the operation; and (f) providing such other duties and services as necessary for supervision, maintenance, control, management and operation of the Group's business and/or as reasonably required by the Group. They are contributing their all-round specialized skills, knowledge and understanding in their industry and can provide tailor-made, efficient, time-saving and yet high quality services to the Group's entertainment and hospitality business on a continuing and recurring basis in its ordinary and usual course of business.

When considering eligibility of the Service Providers under this category, the Board will consider, amongst others: (1) the potential and/or actual scale and degree of cooperation with the Group; (2) the length of business relationship with the Group; (3) the potential and/or actual contribution to the Group's revenue or profits attributable to the Service Providers; and/or (4) their knowledge and network in the industry or other relevant factors (including

LETTER FROM THE BOARD

without limitation technical know-how, market competitiveness, synergy between the relevant Service Providers and the Group, external business connections, strategic value, reputation and credibility); or

- (ii) person or entity that engages in construction, renovation contractor, property agency, design and/or project development work, to any member of the Group, including any other service providers as required in the ordinary course of business of the Group that collaborate with the Group on continuing or discrete property development projects. The Group has also collaborated with persons or entity who engages in construction, renovation and project development work to the Group in relation the Group's hotels and serviced apartments from time to time. Other service providers the Company may engage with in its ordinary and usual course of business that are essential to the success of the Group's entertainment business, which includes but not limited to gaming equipment and software providers who provide maintenance and upgrade service for the gaming equipment and machineries. The Company considers their services are essential to deliver consistently satisfactory entertainment experience and top-quality services that translate into high levels of customer satisfaction and loyalty.

When considering eligibility of the Service Providers under this category, the Board will consider, amongst others: (1) the reliability and quality of the services provided; (2) the frequency, scale and nature of the services provided; (3) the length of business relationship with the Group; (4) the potential and/or actual contribution to the business affairs of the Group in terms of, including without limitation, promoting the continuing development and growth of the Group, bringing innovation, new talents and expertise to the Group and the actual or expected contribution to the Group's revenue or profits attributable to the Service Providers; and/or (5) the knowledge and network in the industry or other relevant factors (including without limitation technical know-how, market competitiveness, synergy between the relevant Service Providers and the Group, external business connections, strategic value, reputation and credibility).

The Directors (including the independent non-executive Directors) consider that, instead of solely relying on the Group's employees, it could be more cost-efficient as Service Providers have specialised expertise and equipment to complete work in an effective manner. Moreover, the Service Providers are often responsible for their own insurance, taxes, and legal compliance, which can reduce the liability and risk exposure for the Company which the Company may not be familiar with. Also, Service Providers can scale their services up or down according to the Company's needs. For instance, the Group engages external independent property management practitioner for the provision of service under the license requirement of property management practitioner (PMP) licence for the operation of serviced apartments based on its property portfolio of the Company. It is industry norm in hospitality industry to engage seasoned and licensed professional for the property management to provide with flexibility and scalability to adopt change in demand without having to hire or lay off employees.

For details in respect of the eligibility of each category of Eligible Participants, please refer to paragraph 2 in Appendix III.

LETTER FROM THE BOARD

The Directors (including the independent non-executive Directors) consider that, notwithstanding that the Company did not grant any share options to its Related Entity Participants and Service Providers in the past, given that nature of the businesses of the Group has reliance on the Service Providers and the Related Entity Participants over past years, the inclusion of each of the Related Entity Participants and the proposed categories of the Service Providers are in line with the Company's business needs and the industry norm, desirable and necessary from a commercial perspective, provide the Group with flexibility to provide equity incentives (instead of expending cash resources in the form of monetary consideration) to reward their contribution and will help maintaining or enhancing the competitiveness of the Group:

- (i) For the Related Entity Participants, despite not being directly appointed or employed by the members of the Group (who would otherwise be categorised as Employee Participants), the Company acknowledges they have close corporate and collaborative relationships with the Group, and involvement in joint work projects closely connected with the Group's business. The Related Entity Participants, such as senior management of the our fellow subsidiaries and associated companies, have extensive connections in the market and have been providing support to the Group, in the form of providing advice to the Group on formulating medium to long-term business strategy, sharing their knowledge and expertise of up-to-date technologies and assisting the Group to improve production efficiency through the use of information technology. The Related Entity Participants may also contribute to the Group by providing specific knowledge on a wide spectrum of related industries in which it operates, providing guidance with respect to potential expansions into new markets and product categories based on their pre-existing expertise, which allow the Group to capture new opportunities for business development. For instance, the Group has been seeking advice from the senior management of Emperor Group in relation to (i) unifying the corporate image of all companies under Emperor Group and (ii) acting as the primary communicating channel between the Company, Emperor Group and the investors and Shareholders. The growth and development of these participants would contribute to the financial performance of the Group. Therefore, to recognise their contribution, the Company wishes to incentivise them by including them as Eligible Participants and granting the Share Options to them based on their performance, thereby further strengthening collaboration and ties with the Group. It is therefore in the interests of the Company and the Shareholders, and is in line with the objectives of the New Share Option Scheme to include the Related Entity Participants in recognition of their contribution to the Group, even though they may not be directly working as an employee or officer of the Group;
- (ii) For Service Providers, the Group has engaged different Service Providers for the provision of services in relation to the entertainment and hospitality business of the Group. These services have included advisory and consultancy services, which have been significant in the Group's business development by contributing specialised skills in relation to the Group's business operation and management advisory and consulting (but for the avoidance of doubt, excluding placing agents or financial advisers providing advisory services for fundraising, mergers or acquisition, professional service providers such as auditors or valuers who

LETTER FROM THE BOARD

provide assurance, or are required to perform their services with impartiality and objectivity). The Group may require the Service Providers to offer different types of services on a regular basis to meet the requirements of new initiatives, projects and goals and to assist with its expansion plans. In such case, the Board will determine whether the relevant Service Providers providing such services are eligible to participate in the New Share Option Scheme based on whether such services provided are in line with the Group's business need and the industry norm, desirable and necessary from a commercial perspective and help to maintain or enhance the competitiveness of the Group, having regard to the Group's key business segments and focuses from time to time.

Through the grant of the Share Options, such Eligible Participants and the Group will have a common goal in the growth and development of the Group's business, and they could participate in the future prospect of the Group and share the additional reward through their sustainable contribution which aligns with the purpose of the New Share Option Scheme.

While the Eligible Participants include non-executive Directors and independent non-executive Directors, the Company is of the view that the independence and impartiality of the independent non-executive Directors would not be affected by any possible grant of the Share Options as (i) the independent non-executive Directors must continue to comply with the independence requirement under Rule 3.13 of the Listing Rules; (ii) approval by independent Shareholders will be required if any Share Option is to be granted to independent non-executive Directors or any of their respective associate(s) would result in the total number of new Shares issued and to be issued in respect of all Share Options granted (excluding any Share Options lapsed in accordance with the terms of the New Share Option Scheme) to such person in the period of twelve (12) months up to and including the date of the grant representing in aggregate over 0.1% of the Shares in issue; and (iii) before making any grants to any independent non-executive Director, the Board will always be mindful of the recommended best practice E.1.9 of the Corporate Governance Code which recommends that issuers should generally not grant equity-based remuneration with performance-related elements to independent non-executive directors. The Directors (including the independent non-executive Directors) are of the view that the independence and impartiality of independent non-executive Directors can remain intact if the grant of Share Options is approved by independent Shareholders with the abstain from voting of the relevant independent non-executive Directors. This is because the independent Shareholders provide an additional layer of scrutiny that guarantees the independent non-executive Directors are acting in the best interests of the Company and its Shareholders. The process of seeking approval from the independent Shareholders is transparent since it involves regulatory oversight and additional disclosure by the Company. The independent Shareholders are able to engage with the Company and make enquiries about the decision in the relevant general meeting before voting.

Scheme Limit and Service Provider Sublimit

As at the Latest Practicable Date, the total number of the Shares in issue is 1,188,490,983 Shares.

LETTER FROM THE BOARD

Assuming there is no change in the number of Shares in issue during the period between the Latest Practicable Date and the Adoption Date, the Scheme Limit of the New Share Option Scheme will be 118,849,098 Shares, representing 10% of the total number of the Shares in issue as at the Adoption Date, and the Service Provider Sublimit of the New Share Option Scheme will be 59,424,549 Shares, representing 5% of the total number of the issued Shares on the Adoption Date.

The basis for determining the Scheme Limit include the compliance with requirements of the Listing Rules, the potential dilution effect as a result of issue of new Shares on exercise of the Share Options which may be granted under the New Share Option Scheme, and the importance of striking a balance between achieving the purpose of the New Share Option Scheme and protecting the Shareholders from the dilution effect from granting a substantial amount of the Share Options to the Eligible Participants, the extent of use of the Service Providers in the Group's business.

In respect of the Service Provider Sublimit, the Board is of the view that the Service Provider Sublimit is appropriate and reasonable taking into account the following factors:

- (i) the potential dilution effect arising from grants to Service Providers, the importance of striking a balance between achieving the purpose of the Scheme and protecting the Shareholders from the dilution effect from granting the Share Options to the Service Providers;
- (ii) the Service Providers, including but not limited to a person or entity that engages in construction, renovation contractor, property agency, design and/or project development work to any member of the Group, are important to ensure continuous provision of valuable insights into the Group's property operation, and are critical to maintaining the competitiveness of the Group and facilitate the long-term and sustainable growth of the Group;
- (iii) the valuable and commercially irreplaceable services due to the nature of industry provided and to be provided by the Service Providers, for instance, the cooperation with SJM being one of the gaming concessionaires in Macau, in view of their unique expertise, extensive experience, tacit knowledge in the industry's dynamics and trends and ability to provide customised solutions;
- (iv) the business expansion and development needs of the Group, which may require further engagement of the Service Providers;
- (v) there are no other share schemes involving grant of options over new Shares; and
- (vi) the New Share Option Scheme could provide incentives to the Service Providers which supply reliable and high-quality services to the Group on a long-term basis.

The Service Provider Sublimit is subject to separate approval by the Shareholders at the AGM.

LETTER FROM THE BOARD

Given the above, the Board is of the view that the Scheme Limit and Service Provider Sublimit are appropriate and reasonable as it provides flexibility to grant Share Options to the Eligible Participants to achieve the purpose of the New Share Option Scheme.

Vesting period

Vesting period for the Share Options shall not be less than 12 months. To ensure the practicability in fully attaining the purpose of the New Share Option Scheme, the Board is of the view that (a) there are certain instances where a strict 12-month vesting requirement would not work or would not be fair to the Grantees, such as those set out in paragraph 10 of Appendix III to this circular; (b) there is a need for the Company to retain flexibility to reward exceptional performers with accelerated vesting or in exceptional circumstances where justified; and (c) the Company should be allowed discretion to formulate its own talent recruitment and retention strategies in response to changing market conditions and industry competition, and thus should have flexibility to impose vesting conditions such as performance-based vesting conditions instead of time-based vesting criteria depending on individual circumstances.

For the avoidance of doubt, the vesting period of the Share Options granted to the Employee Participants may be shortened upon the occurrence of triggering events set out in paragraphs 14-18 of Appendix III. The Company is of the view that a shorter vesting period in such events is appropriate due to the following reasons:

- (i) the circumstances disclosed above are specific and special and a shortened vesting period would only be triggered in those particular instances;
- (ii) in respect of paragraphs 15 and 16 of Appendix III, the purpose of the New Share Option Scheme is to grant the Share Options to the Eligible Participants who contribute to the growth, development, and success of the Group. The triggering of a shorter vesting period under the New Share Option Scheme in light of the illness, retirement or death of the Grantee who is under employment with the Company and/or any of the Subsidiaries is appropriate as the Company considers that such events should not negate his prior contributions to the Group; and
- (iii) a general offer or scheme of arrangement and compromise or arrangement of the Company under the New Share Option Scheme are circumstances that are beyond the control of the Grantee and thus such circumstances should not become an impediment to carry out the purpose of the scheme. In fact, such circumstances may incentivise the relevant Grantee to remain with the Company. This is particularly significant as the Group's accomplishments are heavily reliant on the contributions of its workforce.

LETTER FROM THE BOARD

Basis of determination of the Exercise Price

Eligible Participants to whom the Share Option(s) shall be granted, are entitled to subscribe for the number of the Shares at the Exercise Price as determined by the Board in its absolute discretion at the time of the grant of the relevant Share Options (and shall be stated in the letter containing the offer of the grant of the Share Option(s)), but in any event the Exercise Price shall be at least the highest of (i) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of grant of the Share Options, which must be a Business Day; (ii) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheets for the 5 Business Days immediately preceding the date of the grant of the Share Option(s); and (iii) the nominal value of a Share. The basis for determining the Exercise Price is also specified precisely in the requirements set out in Chapter 17 of the Listing Rules. The Directors consider that such basis will preserve the value of the Company and encourage the Eligible Participants to acquire proprietary interests in the Company.

Performance target

If and to the extent that any performance target is required to be achieved by any Grantee before a Share Option is capable of being exercised, particulars of such targets shall be specified in the offer of a Share Option. The Board may impose any conditions, restrictions or limitations in relation to the Share Options as it may at its absolute discretion think fit. If performance targets are imposed on a Grantee upon the grant of the Share Options, the Board will have regard to the purpose of the New Share Option Scheme in assessing such performance targets with reference to factors including but not limited to, as and when appropriate, (i) business performance (e.g. revenue of the Group for the relevant financial year); (ii) financial performance (e.g. net profit of the Group for the relevant financial year); (iii) market capitalisation of the Company; (iv) segments performance (e.g. revenue or profit of relevant business segment for the relevant financial year); (v) individual performance appraisal results for the relevant year (e.g. strategic driving abilities, talent development capabilities, inter-departmental cooperation capabilities, adherence to corporate culture); (vi) discipline and responsibility (e.g. punctuality, integrity, honesty or compliance with internal procedures) and/or (vii) other targets to be determined in the sole discretion of the Board, the satisfaction of which shall be assessed and determined by the Board at its sole discretion.

Such performance target will be consistent with the purpose of the New Share Option Scheme as it encourages the Eligible Participants to achieve such performance target thereby increasing the value of the Group. The Board is of the view that the New Share Option Scheme will provide the Board with flexibility in setting the performance targets which are the most appropriate taking into account the individual circumstances of the relevant Eligible Participants and therefore can facilitate the Company's aim to offer meaningful incentive to the Eligible Participants to contribute and work better for the long-term growth and profitability of the Group, and hence aligns with the purpose of the New Share Option Scheme.

LETTER FROM THE BOARD

Clawback mechanism

All Share Options granted or outstanding under this Scheme but not yet vested to or exercised by any Eligible Participants are subject to clawback, namely part or all the outstanding Share Options granted to the relevant Grantee but not yet vested or exercised may be forfeited upon occurrence of any of the events as summarised in paragraph 11 in Appendix III as the Board may at its absolute discretion think fit on a case-by-case basis.

The mechanism in place for clawback of the Share Options granted in events such as serious misconduct or material misstatement in the Company's financial statements will provide effective deterrence against undesirable behaviour by the Grantees at or outside work and safeguard the value of the Group. The Board is of the view with such clawback mechanism in place, the Company would be able to claw back the equity incentives granted to the Grantees, which is in line with the purpose of the New Share Option Scheme and the interest of the Shareholders in general.

Conditions precedent of the New Share Option Scheme

The adoption of the New Share Option Scheme is conditional upon:

- (i) the Listing Committee of the Stock Exchange granting approval of the listing of, and permission to deal in, the Shares which may be issued pursuant to the exercise of the Share Options granted under this Scheme;
- (ii) the passing of an ordinary resolution by the Shareholders to approve and adopt this Scheme and to authorise the Directors to grant the Share Options to subscribe for the Shares under this Scheme and to allot, issue and deal in the Shares pursuant to the exercise of any Share Options; and
- (iii) the compliance with applicable requirements under the Listing Rules.

If any of the conditions set out above are not satisfied within 2 calendar months after the Adoption Date:

- (a) the New Share Option Scheme shall forth with determination;
- (b) any Share Option granted or agreed to be granted pursuant to the New Share Option Scheme and any offer of such a grant shall be of no effect; and
- (c) no person shall be entitled to any rights or benefits or be under any obligations under or in respect of the New Share Option Scheme or any Share Option.

General

As at the Latest Practicable Date,

- (i) the Company has not engaged any trustee for administration of the New Share Option Scheme. If the Company is to engage any trustee in the future, such trustee will not be a Director and no Director will have any direct or indirect interest in the trustee;

LETTER FROM THE BOARD

- (ii) the Company does not have any share option scheme or share award scheme other than the Existing Scheme;
- (iii) the Company has not formulated any plan to grant the Share Options under the New Share Option Scheme and the Company will continue to assess from time to time whether there is a need to formulate such plan; and
- (iv) to the best knowledge of the Directors and having made all reasonable enquiries, no Shareholder has any material interest in the proposed adoption of the New Share Option Scheme and no Shareholder is required to abstain from voting on the resolution in relation thereto.

Application for listing

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Share Options granted under the New Share Option Scheme.

EXERCISE OF THE BUY-BACK MANDATE

As at the Latest Practicable Date, the total number of the Shares in issue was 1,188,490,983 Shares. Subject to the passing of the Buy-back Resolution and on the basis that no further Shares are issued or bought back by the Company prior to the AGM, the Company would be allowed under the Buy-back Mandate to buy back a maximum of 118,849,098 Shares (representing 10% of the total number of issued Shares) during the period from the date of the AGM up to:

- (i) the conclusion of next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws to be held; or
- (iii) the revocation or variation of the Buy-back Mandate by ordinary resolution of the Shareholders in general meeting of the Company,

whichever occurs first.

REASONS FOR THE BUY-BACK OF SECURITIES

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to buy back Shares in the market. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or the earnings per Share. Buy-back of the Shares will only be made when the Directors believe that such buy-back will benefit the Company and the Shareholders.

FUNDING OF BUY-BACK

Any buy-back will only be funded out of funds of the Company legally available for the purposes in accordance with its memorandum of association and Bye-laws and the applicable laws of Bermuda. The Company will not buy back securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its latest published audited accounts contained in the annual report of the Company for the year ended 31 March 2023) in the event that the proposed Buy-back Mandate, if so approved, were to be exercised in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels, which in the opinion of the Directors, are from time to time appropriate for the Company.

APPENDIX II EXPLANATORY STATEMENT ON THE BUY-BACK MANDATE

BUY-BACK OF SHARES MADE BY THE COMPANY

No buy-back of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

UNDERTAKING/INTENTION

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company in the event that the Buy-back Mandate is approved by the Shareholders.

No core connected person (as defined in Listing Rules) of the Company has notified the Company of a present intention to sell any Shares to the Company nor has undertaken not to do so in the event that the Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Buy-back Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

EFFECT OF TAKEOVERS CODE

If as a result of a share buy-back by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Emperor Entertainment Hotel Holdings Limited ("Emperor E Hotel Holdings") held 851,353,645 Shares, representing approximately 71.63% of the total issued Shares. In the event that the Directors exercise in full the power to buy back Shares which is proposed to be granted pursuant to the Buy-back Resolution, then (assuming such shareholdings as at the Latest Practicable Date otherwise remain the same) the shareholding of Emperor E Hotel Holdings in the Company would increase to approximately 79.59% of the total number of the issued Shares. The Directors consider that such an increase would not give rise to an obligation on the part of Emperor E Hotel Holdings to make a mandatory offer under Rule 26 of the Takeovers Code. However, there will be insufficient Shares in the hands of the public.

The Directors have no present intention to exercise the Buy-back Mandate to the extent as would result in the number of Shares in public hands fall below the prescribed minimum percentage of 25% of the total number of the issued Shares.

The following is a summary of the principal terms of the New Share Option Scheme proposed to be adopted at the AGM which serves to summarise the terms of the New Share Option Scheme, but does not constitute the full terms of the same.

11 PERFORMANCE TARGET AND CLAWBACK MECHANISM

11.1 Unless otherwise determined by the Board and specified in the offer letter at the time of the offer of the Share Option, there are no performance targets that need to be achieved by the Grantee before a Share Option could be exercised. Subject to the provisions of the New Share Option Scheme and the Listing Rules, the Board may when making the offer of the Share Options impose any conditions, restrictions or limitations in relation to the Share Option as it may at its absolute discretion think fit.

11.2 All Share Options granted or outstanding under the New Share Option Scheme but not yet vested to or exercised by any Eligible Participants are subject to clawback upon occurrence of any of the events as set out below as the Board may at its absolute discretion think fit on a case-by-case basis:

Subject to as aforesaid, the Shares to be allotted and issued upon the exercise of a Share Option will be subject to all the provisions of the Bye-laws of the Company for the time being in force and will rank *pari passu* with the fully paid Shares in issue as from the date of the allotment of the Shares and in particular will entitle the holders to participate in all dividends or other distributions paid or made on or after the date of the allotment of the Shares other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date thereof is before the date of the allotment of the Shares. The Share Options itself shall not carry voting rights and shall not entitle any dividends or other distributions paid.

13 TRANSFERABILITY OF SHARE OPTIONS

A Share Option shall be personal to the Grantee and shall not be assignable and no Grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest (legal or beneficial) in favour of any third party over or in relation to any Share Option or attempt so to do (save for where a waiver is granted from the Stock Exchange for the benefit of the Eligible Participant and his family members that would continue to meet the purpose of the New Share Option Scheme and comply with other requirements of Chapter 17 of the Listing Rules). Any breach of the foregoing shall entitle the Company to cancel any outstanding Share Option or any part thereof granted to such Grantee.

14 RIGHTS ON CEASING EMPLOYMENT

If the Grantee is under employment with the Company and/or any of the Subsidiaries and/or the Related Entity, in the event of the Grantee ceasing to be an Eligible Participant for the reason of such Grantee's resignation from the employment of the Company or of any of the Subsidiaries or the Related Entity or the termination of his or her employment by the Company or the relevant Subsidiary or the Related Entity or the expiry of his or her employment with the Company or the relevant Subsidiary or the Related Entity other than the termination of his or her employment on one or more of the grounds specified in paragraph 19(e) or the Related Entity ceasing to be a Related Entity, and subject to paragraph 19(a) the Grantee may exercise the Share Option up to his entitlement at the date of cessation (to the extent exercisable as at the date of cessation and not already exercised) for a period of time as the Board may determine following the date of such cessation, which date shall be the last actual working day with the Company and/or any of the Subsidiaries whether salary is paid in lieu of notice or not, failing which it will lapse provided that in any such case, the Directors in their absolute discretion may otherwise determine subject to such conditions or limitations as the Directors may decide.

Notwithstanding any contrary provisions in the foregoing paragraph, the vesting period for non-Employee Participants shall not be less than 12 months.

15 RIGHTS ON ILL-HEALTH OR RETIREMENT

If the Grantee is under employment with the Company and/or any of the Subsidiaries, in the event of the Grantee ceasing to be an Eligible Participant for the reason of his or her ill-health or retirement, the Grantee may, subject to paragraph 19(a), exercise the Share Option up to his entitlement at the date of cessation (to the extent exercisable as at the date of cessation and not already exercised) for such a period of time as the Board may determine following the date of such cessation, which date shall be the last actual working day with the Company and/or any of the Subsidiaries whether salary is paid in lieu of notice or not, failing which it will lapse provided that in any such case, the Directors in their absolute discretion may otherwise determine subject to such conditions or limitations as the Directors may decide.

Notwithstanding any contrary provisions in the foregoing paragraph, the vesting period for non-Employee Participants shall not be less than 12 months.

17 RIGHTS ON A GENERAL OFFER

If a general or partial offer, whether by way of take-over offer, share repurchase offer, or scheme of arrangement or otherwise in like manner is made to all the holders of the Shares, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror, the Company shall use all reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, with appropriate changes; and assuming that they will become, by the exercise in full of the Share Options granted to them, the Shareholders. If such offer becomes or is declared unconditional or such scheme of arrangement is formally proposed to the Shareholders, a Grantee shall be entitled to exercise his option (to the extent not already exercised) to its full extent or to the extent specified in the Grantee's notice to the Company in exercise of his option at any time thereafter and up to the close of such offer (and any revised offer) or the record date for entitlements under the scheme of arrangement, as the case may be. Subject to the above, a Share Option shall lapse automatically and not be exercisable (to the extent not already exercised) on the expiry of the period referred to above.

Notwithstanding any contrary provisions in the foregoing paragraph, the vesting period for non-Employee Participants shall not be less than 12 months.

Subject to the above, a Share Option shall lapse automatically and not be exercisable (to the extent not already exercised) on the expiry of the period referred to above.

Notwithstanding any contrary provisions in the foregoing paragraph, the vesting period for non-Employee Participants shall not be less than 12 months.

19 LAPSE OF SHARE OPTION

A Share Option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (a) the expiry date relevant to the Share Option;
- (b) the expiry of any of the periods referred to in paragraphs 14 to 16;
- (c) the date on which the offer (or as the case may be, revised offer) referred to in paragraph 17 closes or the record date for entitlements referred to in paragraph 17, as the case may be;

A resolution of the Board to the effect that the employment of a Grantee has or has not been terminated on one or more of the grounds specified in this paragraph shall be conclusive;
 - (ii) with respect to a Service Provider, the Grantee ceases to be a service provider of the Company or any of the Subsidiaries or the business relationship between the Grantee and the Company or any of the Subsidiaries has been terminated, or such other factors as specified under the Listing Rules or considered by the Board from time to time;

- (h) if the Directors at their absolute discretion determine that the Grantee (other than an employee) or his or her associate has committed any breach of any contract entered into between the Grantee or his or her associate on the one part and the Group on the other part, the Directors shall determine that the outstanding Share Options granted to the Grantee shall lapse. In such event, his or her Share Options will lapse automatically and will not in any event be exercisable on or after the date on which the Directors have so determined.

20 CANCELLATION OF SHARE OPTIONS

- 20.1 The Board may at any time at its absolute discretion to cancel any Share Option previously granted to, but not exercised by the Grantee.

NOTICE OF ANNUAL GENERAL MEETING

Notes:

- (i) **No refreshments or drinks will be served and no corporate gifts will be distributed.**
- (ii) Pursuant to Rule 13.39(4) of the Rules Governing the Listing of Securities on the Stock Exchange, all resolutions set out in this notice will be decided by poll at the annual general meeting (“AGM”). Where the Chairperson in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted, such resolution will be decided by show of hands.
- (iii) A shareholder of the Company entitled to attend and vote at the meeting convened by this notice is entitled to appoint one or more proxies (if he/she is a holder of more than one share) to attend and vote in his/her stead. A proxy need not be a shareholder. The Company strongly encourages shareholders to appoint the Chairperson of the AGM as their proxies to exercise their rights to vote at the AGM. Physical attendance at the AGM by a shareholder is not necessary for the purpose of exercising voting rights.
- (iv) In order to be valid, the form of proxy must be in writing under the hand of the appointor or his/her attorney duly authorized in writing, or if the appointor is a corporation, either under its common seal, or under the hand of an officer or attorney duly authorized on that behalf, and must be deposited at the Company’s Hong Kong Branch Share Registrar, Tricor Secretaries Limited, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong (“Branch Share Registrar”) together with a power of attorney or other authority, if any, under which it is signed or a certified copy of that power of attorney or authority, not less than 48 hours before the time for holding the AGM or adjourned meeting.
- (v) Where there are joint holders of any share(s), any one of such joint holders may vote, either in person or by proxy in respect of such share(s) as if he/she were solely entitled thereto, but if more than one of such joint holders be present at the AGM, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and, for this purpose, seniority shall be determined by the order in which the names stand in the register in respect of the joint holding of such share(s).
- (vi) Completion and delivery of the form of proxy will not preclude a shareholder from attending and voting in person at the AGM or adjourned meeting thereof and in such event, the form of proxy previously submitted shall be deemed to be revoked.
- (vii) In order to qualify for the right to attend and vote at the AGM, all relevant share certificates and properly completed transfer forms must be lodged for registration with the Branch Share Registrar at the above address not later than 4:30 p.m. on Wednesday, 13 September 2023.
- (viii) The AGM will be held on Tuesday, 19 September 2023 as scheduled regardless of whether or not an amber or red rainstorm warning signal is in force in Hong Kong at any time on that day. However, if Typhoon Signal No. 8 or above, or a “black” rainstorm warning signal or “extreme conditions after super typhoons” announced by the HKSAR Government is in force at any time after 8:30 a.m. and before the above meeting time, the AGM will be postponed. The Company will post an announcement on the websites of the Stock Exchange (<https://www.hkexnews.hk>) and the Company (<https://www.Emp296.com>) to notify shareholders of the date, time and place of the rescheduled meeting.
- (ix) The translation into Chinese language of this notice is for reference only. In case of any inconsistency, the English version shall prevail.
